
This audio CD, with the assistance of the Center for Academic Integrity, presents a number of examples of Internet use among college students. Audio topics include plagiarism, self-plagiarism, and the value of intellectual freedom in the Internet Age. Also addressed are topics such as responsibility, morality, and community service. The CD is intended for students who use the Internet at various stages of the academic experience. This audio CD is one of a series of 30 titles from the Center for Academic Integrity. The series, Academic Integrity: Foundations and Application, contains a total of more than 675 hours of instructional material. These CDs can be ordered individually or as a set. For more information on the series, contact the Center for Academic Integrity at P.O. Box 20660, University Park, PA 16802-0660; phone: (814) 865-5601; fax: (814) 865-6148; or email: AcademicIntegrity@unctad.org. AcademicIntegrity@unctad.org. Image: Lavinia.jpg Model Release By the time I sat down with my laptop to do this review, I felt a little sorry for my hair. Because most people know me, I thought that they would be a little surprised when I told them that I actually hate doing reviews. We all know that most people are willing to review anything as long as it's free. If it's not free then it's usually been sitting on some website for a while already. I guess it's because most reviewers are usually also the very same people who complain about a product or service. We tend to get tired of the same type of review. There's always an explanation of the things that went wrong. There's always a solution to every problem. There's always a critical point about a product or service. Even if I don't understand the problem or I don't agree with the solution, I always try to explain the things that I'm not really happy with. However, sometimes I think that you just get tired of reading those reviews. It's 70238732e0
