Windows? I'll be doing some travelling, perhaps working, but I'd like to keep my documents and music. They're both backed up on external drives, but what if the drives fail? Can I just copy my documents to my new computer? I'm afraid I'm a bit of an n00b, so please bear with me. I like the fact that my documents are now all in one place. I hope this is the right forum. I would like to have my Acron 2d92ce491b
