Bike shop owner robbed at gunpoint during business trip Bike shop owner robbed at gunpoint during business trip A man who owns a bike shop in Raleigh said he was robbed at gunpoint during a business trip to Springfield. By Brent CooperTimes-News correspondent Published: Friday, February 15, 2013 at 08:50 PM. BRUNSWICK, NC (WECT) - A man who owns a bike shop in Raleigh said he was robbed at gunpoint during a business trip to Springfield. The man, who asked not to be identified, said he arrived at the Lincoln

Inn Hotel & Golf Club in Springfield at about 4 p.m. on Thursday, and walked through the foyer to the lobby. He said as he was walking toward a security guard, a man ran from behind the guard and pointed a gun at him. The man said the robber took the keys to his rental car, which was parked in the hotel parking lot. The keys were found later in a dumpster. The man said he called his wife, who was on the second floor of the hotel. He said the robber did not take the phone, so he was unable to call anyone for help. The man said the robber took his wallet and left on foot. He said he did not see the robber's face. The man said he had the following items taken from him: his wallet, which contained cash and an access card for his bike shop; his cellular phone; a cigarette lighter; a bike lock; and a chain. He said he made a citizen's arrest of the suspect. "I'm glad he didn't hurt me, but I'm really glad that he's being arrested," the man said. "I'm just glad nobody got hurt." 2d92ce491b
