FIFA is a popular fantasy football video game franchise. It is developed by EA Canada and published by Electronic Arts worldwide. The FIFA series is the best-selling sports video game franchise worldwide (over 50 million copies sold as of 2017). The FIFA series include FIFA, FIFA 18, FIFA 19, FIFA 20, and FIFA 21. What is FIFA Ultimate Team? FIFA Ultimate Team is the game mode within FIFA. It is a live, all-real-world team-building mode. It is the most popular part of the game, and players spend hours playing it. Players buy, trade, train, and manage over 25 million real footballers from all over the world, create their own teams, and face off in game modes that mimic real football. What are the core gameplay elements? The core gameplay elements are: The pitch. All the action occurs on a 3x3 km pitch, and a ball is constantly moving around it. The pitch is the most interesting part of the game, and it is full of unscripted drama and motion. Players can control the ball or hit it, and there are 10 different ways to play it (run, dribble, pass, shoot, pass & shoot, throw, catch, headbutt, playmaking and trickery, a.k.a. skills). The game of football. The name FIFA comes from the name of the first sport in the game - football. It is played between two teams of 11 players on a pitch of 3x3 km. Both teams have a distinct formation, but the players are not fixed. Each player can be controlled with direct controls like in real football. Every player has his own individual mechanics (assists, tackling, deking, shooting, goalkeeping, headbutting, etc.), and they need to be used wisely in order to outsmart and outwit their rivals. There is no margin for error, and players can
